Final Newsletter! 📰 😊 🙌

by NSBE-SHPE Lehman | ns.lehman@lc.cuny.edu

[View this email in your browser](#)

THE NSBE-SHPE DECODER

Your bi-weekly source for knowledge +
networking + job postings are here and
hot off the presses!

Special thanks to the NS Decoder Newsletter
Committee who worked week in and week
out to provide the members with the latest
opportunities. Misha Alyas, Rosemarie
Encarnacion, Alex F-V, and Angel Morales,
your dedication is appreciated!

Announcements

The Spring 2018 Special Elections are now over, the ballots
have all been counted, and we are ready to announce the
new NSBE and SHPE eBoards! Congrats to the winners!

NSBE Spring 2018 eBoard

President - Alex Flores-Veliz

Vice President - Daniel Encarnacion

Treasurer - Samantha Burnett

Upcoming Events

Tuesday, December 12th

**Amazon Alexa: Skill
Development Workshops -
NYC**

Join a free workshop hosted
by Galvanize and Amazon to
learn more about building
applications for Alexa!

Students will learn to create
applications for a voice user
interface (VUI) and prepare for
the jobs of tomorrow in AI,
VUI design, and voice

Secretary - Taina Larosiliere

SHPE Spring 2018 eBoard

President - Angel Morales

Vice President - Isaac Atif

Treasurer - Hafeez Piracha

Secretary - Erika Di Benedetto

End Of Semester Celebration! TODAY

Come join NSBE-SHPE and celebrate the end of the semester, our members' accomplishments, and those who are departing the club for bigger and better things!

Also, come and hang out with the current and next semester's eBoard, and find out how YOU can become more involved in the club in the Spring 2018 semester!

computing.

RSVP

Thursday, December 7th

[SHPE-NYC Holiday Cena 2017](#)

Join SHPE-NYC as we celebrate the holidays with our annual Holiday Cena. The evening will consist of networking, dinner, inspiring/motivating speakers, the SHPE-NYC Scholarship awards, and the SHPE-NYC STEM Toy Drive. We invite our SHPE Familia, supporters and friends!

RSVP

Thursday, December 14th

[Using Big Data to Solve Every Day Problems: Microsoft's Data Science School](#)

Presenters include our very own Rosemarie Encarnacion and Keri Mallari!

To apply for a scholarship, you need to be at least 18 years old and live in the US. You'll begin by choosing your learning path, either Web Developer or Android Developer. From there, once you're accepted, we'll place you in one of two tracks, depending on your existing skills and experience, either Beginner or Intermediate. After

Refreshments will be served!

NSBE-SHPE Member Spotlight

Mohammed Alam, or Abir as the eBoard knows him, is the current Academic Excellence chair for the NSBE and SHPE chapters at Lehman College. Abir, who is a Computer Science student in his final semester at Lehman, was recently extended a full-time offer by Capital One!

Abir also interned for Northrop Gruman over the summer as a software development intern and will be looking to apply the technical skills he acquired at his internship out in sunny California with Northrop Gruman at Capital One.

Abir's hardworking attitude, humility, and kindness are some of the many attributes that made him the professional that he is today. These characteristics are also the reason Abir is our final NSBE-SHPE spotlight member of the week! Thank you for all that you have contributed to NSBE-SHPE, Abir. We wish you all the best!

 **Connect With Abir on LinkedIn!**

that, the learning begins!
Finally, top students from each track will earn full scholarships to one of our Android or Web Development Nanodegree programs.

Women Techmakers Scholars Program

Women Techmakers Scholars will each receive \$10,000 USD (for students in the US) or \$5,000 CAD (for students in Canada) for the 2018-2019 academic year. A group of female undergraduate and graduate students will be chosen from the applicant pool, and scholarships will be awarded based on the strength of each candidate's academic background and demonstrated leadership and impact on the community.

That's all from us this week, folks! And for a while. If you are interested in joining the NS Decoder Newsletter Committee, hit up ns.lehman@lc.cuny.edu with the subject "Interest in Newsletter Committee".

Also, special thanks to those of you who came out to our NS Hackathon in November! It was a blast!

Until next time! 🙌
