scholarships!

APPLY

Madelin Arias Bueno has been a member of the NSBE and SHPE chapters at Lehman College since the Spring semester of 2017, and since joining has been a consistent attendee at our general meetings, workshops, and events.

Madelin, an incoming Sophomore majoring in Computer Science with a minor in Math, is already showing the qualities of a great leader, with the drive and initiative necessary to make a name for oneself and succeed out in the world.

Recently, Madelin was nominated for (and later accepted) the role of Secretary of the SLA eBoard, a role that will involve her representing the students of Lehman College, and enacting policies pertaining to students' life on campus.

Madelin's initiative is one of many reasons she is our Spotlight Member of the week! We at NSBE-SHPE would like to congratulate you and wish you much luck on your new role! 🙌🎉

That's all from us this week folks!
Remember to come back in 2 weeks for
another healthy dose of networking,
learning, and professional opportunities!

Did we mention we've opened up registration for
our 4th Annual Hackathon? [REGISTER HERE!](#) Free
food, potential prizes, and knowledge, whats not
to look forward to, yo?
